Washington, D. C.

Dear Sir and Brother:

Recently a very important matter has come up which we feel must have your attention and advice.

I respectfully refer you to your communications to us of February 26th., May 15th., and June 5th. in which you informed us of the action taken by the Executive Council that our local was required and expected to transfer our membership to the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America. In your letter of June 5th., you asked that we return the charter and seal to the American Federation of Labor in Washington and authorized us to transfer the funds which were a part of Federal Labor Union No. 22473 to our organization within the International Brotherhood of Teamsters.

We have fully complied with the above. However, due to the threatened encroachment by the C. I. O.-F. T. A. and as a culmination of hearings which are now taking place, Mr. Trobiner, Attorney for the Teamsters is requesting that we pay our per-capita to you for May, June, July and August.

We feel that we cannot comply with the above request without the advice of the American Federation of Labor.

Please advise immediately.

With best wishes, I am

Fraternally yours,

Fred Less
