Mr. Daniel Murphy,

St. Louis, Mo.

Dear Sir and Brother:-

When you have an opportunity, I want you to visit local union #130, of Pinckneyville, as there are several matters, which have been brought to my attention lately, which are causing some misunderstanding in this local. I have had a visit from a Mr. Opp of that city, who is in the trucking business, who has some misunderstanding with the local, however, there is no need to mention his visit to my office, as I have written the local about this matter and have received a very unsatisfactory reply, on the matter from the local, I do not believe, it would be wise to mention Mr. Opp's visit to the General Office, as this as a rule makes a bitter feeling among the members, however, find out when the local meets and visit the local and see if it is possible to straighten out some of the difficulties in the local.

Trusting you will be able to take care of this matter and with best wishes, I remain,

Fraternally yours,

General Secretary-Treasurer.

Friend Dan:-

Your favor of November 10th received and will say, it is just as well that you are unable to go to Pinckneyville, until after the Convention. I see in your letter that you intend to leave Saint Louis, on Friday, but you do not state the exact time. I myself, intend to leave Saint Louis, Friday, ten p.m. by way of the Rock Island Railroad and hope your arrangements have been made on the same train. I am intending to leave Indianapolis, Friday noon and will spend a few hours in Saint Louis before leaving there and if by chance we go on the same train, I will have an opportunity to talk over the Pinckneyville situation and you can take care of this matter when you return to your city.

Trusting you will let me know, by return mail, just what your arrangements are and with best wishes, I remain,

Sincerely yours,
