Daniel J. Tobin, Gen. President.  
222 East Michigan Street  
Indianapolis, Ind.

Dear Brother:

We are seeking an increase in wages. For our data, it is necessary, as you know, to present the scale of wages paid to chauffeurs for the same work and weight of truck.

We would like to present the same facts to the wage board, but we require more definite and concise data. If possible, we would like your office to furnish us with the average scale that is paid to truck drivers operating trucks carrying four cubic yard dumps and also tractor-trailers.

Please reply as soon as possible as the matter is now pending.

Respectfully,

*Paul H. Mann*
