Multnomah Hotel, Portland, Oregon.

Mr. Ed. Myers,
222 E. Michigan St.,
Indianapolis, Indiana.

Dear Sir and Brother:

It has become necessary for the International Union to endorse the strike or lockout of four men in Tacoma. There will undoubtedly be a letter sent to my office from the local union on this subject. I am notifying you so that you may know the same and send benefits when they are due; three of the men are entitled to benefits at the end of two weeks, beginning the 11th of this month.

~~The~~ One man has been locked out, I find upon investigation after visiting the union, for now almost three weeks.

Keep in touch with Miss O'Neill and carefully read over any communication that may come from this local union on this subject for your information while we are away. I expect to be back in the office on November first.

Very sincerely yours,

General President,
International Brotherhood of Teamsters, Stable-
men, Chauffeurs and Helpers of America.
