In the name of God, the compassionate, the merciful

To/ Real Estate Center of Wilayat Nineveh

Memo/ Communication

Praise be to God and prayer and peace be upon the Messenger of God, and upon his family, companions and everyone loyal to him.

Peace be upon you, with God's mercy and blessings

Please communicate the following to the Department of Judiciary and Grievances concerning the request they sent to us, number (4777). After completing the investigation procedures, including first hand observation, inquiry, and listening to witnesses statements, [we established that] the house was built by [redacted], uncle of the apostate [redacted], according to the testimony of [redacted], who works at the department of Mosques, Al-Sahel office, and the testimony of [redacted], who is the mukhtar of the village. [They also testified] that the apostate [redacted] only built the cottage, outside of the house, and that his son, [redacted], currently occupies the house, with his family consisting of (13) members, in addition to his father and the children of his deceased brother their number being (3).

May God reward you abundantly

CC: The Emir
