Dear Sir and Brother:

Enclosed find copy of letter received from Wisconsin
State Federation of Labor.

I ask that you make arrangements to be in attendance
at this conference and convention. However, do not
let this interfere with your trip to Washington.

Fraternally yours,

Dear Sir and Brother:

Pursuant to recommendation of the Committee on Shipbuilding at our recent convention held in the city of Oshkosh, a meeting of all trades in the shipbuilding industry will be held in the city of Wausau at the Wausau Hotel starting at 10:00 A.M., Sunday, September 17, 1944.

It is extremely important that your organization be represented at this conference as matters of great urgency pertaining to the industry and the Shipbuilding Commission will be topics of discussion, with the thought in mind of expediting matters pending before said commission.

Fraternally yours,

George A. Haberman, President
 Wisconsin State Federation of Labor
