Dear Sir and Brother:-

I am in receipt of a communication from local union #39, of Hilleboro, and it seems there is some friction in the local union, and in view of the fact, the local has its meeting on Friday, May 29th and I thought, if you had the opportunity, you could attend this meeting and see if it is possible to straighten them out. I am of the belief there are in need of instructions more than anything else, however, if possible, I would like for you to attend this meeting and make your report to me, on same.

Trusting you will be able to take care of this matter and with best wishes, I remain,

Fraternally yours,

General Secretary-Treasurer.
