Metal Leader

June 12, 1952

Mr. Nicholas P. Morrissey, President
New England Conference of Teamsters
650 Beacon Street
Boston 15, Massachusetts

Dear Sir and Brother:

Enclosed find copy of a letter received in this office today
from Metal Trades Department.

We are forwarding this to you with the suggestion you check
into the matter and see what can be done to relieve the sit-
uation of which Brownlow complains.

Fraternally yours

METAL TRADES DEPARTMENT

400-404 A. F. of L. Bldg.
Washington 1, D. C.
December 9, 1952

Mr. Dave Beck, President
Int. Bro. Teamsters, Chauffeurs, etc.
222 East Michigan Street
Indianapolis 4, Indiana

Dear President Beck:

It has been called to the attention of the Metal Trades Department that there is considerable need of organization of employees coming under the jurisdiction of your International Union in the navy yards at Portsmouth, New Hampshire and Boston, Massachusetts.

I would respectfully urge that you give your attention to this matter and that these employees be organized into their proper union. For some months there has been an active campaign being conducted by some of the organizations in the navy yards, and it is believed that many members can be gained by your local unions if an effort is put forth to obtain them.

With best personal wishes, I remain

Sincerely and fraternally yours,

J. A. Brownlow, President
