Mr. Gillespie:

Have just conferred with Leonard Newmarker of Local Union 413 of Columbus, Ohio, who is handling for Organizer Murphy, the amalgamation of Local 263 of Newark, Ohio. This organization is being amalgamated with Local 637 of Zanesville, Ohio.

There is approximately \$2000.00 in the local union in Newark.

A meeting of the membership is being called which is very small. Brother Newmarker of Local 413 and Brother Blachoff representing Joint Council 30 will attend this meeting and outline the entire program.

The approximate \$2000.00 will be made out to the Zanesville local. The books and all properties will be turned over to the Zanesville local and the charter and seal will be sent into this office.

You will be notified the exact date of this transaction.

This is in accordance with recommendation of Organizer Murphy.
