[1927, ante May 8]

Mr. Thos L. Hughes,

Dear Sir:-

Kindly be advised that the union local #32 has automatically ceased to exist, as no member has paid any dues since November 1928. The few members it had have drifted back to the old independent assn. from the ranks of which this union has been created.

None of the officers appointed or elected actually took up their duties and the treasury always ran a deficit and so this local died through general neglect and disinterest on the part of its officers and members.

Yours truly,

Signed A. Golden,

Dear Sir and Brother:-

Enclosed find copy of letter received from local #32, which is self explanatory and asking that you get in touch with Mr. Golden and secure the charter, seal books and other property of this local and return same to this office.

With best wishes, permit me to remain,

Fraternally yours,

General Secretary-Treasurer.
