Dear Sir and Brother:

Enclosed find a copy of a letter of June 13th from Herbert Vonier of the Wisconsin State Federation of Labor to Richard Gray, President of the Building and Construction Trades Department. Also, enclosed find a copy of a letter of June 17th from President Gray to all International Organizations affiliated with the Building and Construction Trades Department.

Make an investigation of this matter at Niagara, Wisconsin to determine to what extent we would be involved by virtue of the truck drivers and other employees of the Kimberly-Clark Company, Field Service Division who are working under our jurisdiction. If the State Federation and the Wisconsin Building and Construction Trades Department have a program already outlined, I advise that you contact them so as to protect our interests.

Fraternally yours,

Dear Sir and Brother:

Enclosed find copy of a letter received from George Meany, Secretary-treasurer of the American Federation of Labor to which is attached a copy of a letter addressed to the AFL signed by Willis H. Hanes, Recording Secretary of the Lincoln County Central Labor Union at Merrill, Wisconsin, in which some brewery workers are very anxious to become affiliated with the AFL.

I realize you are laid up ill. I suggest, therefore, that you send Murphy or someone up to this district to take care of this for you.

Fraternally yours,

ACTING FOR DANIEL J. TOBIN
