COMMISSIONER

EMPLOYEES' COMPENSATION COMMISSION
WASHINGTON

Mr. Daniel Tobin,
General President
I. B. of T. C. W. and H.
222 East Michigan Street
Indianapolis, Indiana

Friend Dan:

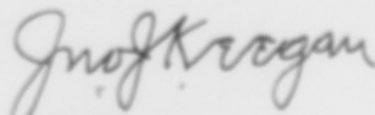

While calling on our mutual friend Senator Norris a few days ago he paid you a very high compliment and I suggested that he autograph his picture to you. He said he would be very glad to do so if I would send it which of course you will appreciate was a pleasure for me to do.

Well Dan your as hard hearted as ever; I see that you have driven the poor Brewery Workers out of the A. F. of L. Now I suppose we will have to have our beer hauled to our door by teamsters. I don't know how that will affect the beer probably will put some kick into it.

Remember me to Mrs. Tobin and John Gillespie.

Sincerely yours,

John J. Keegan
