

MR. TALMADGE MOORE: I'm asking a question.

MS. HARRIS: It is not a point of order, Delegate Talmadge Moore.

MR. TALMADGE MOORE: Well, my point of order is: Did the committee take under consideration the uniqueness of the individual?

MS. HARRIS: That's not a point of order.

MR. TALMADGE MOORE: Before I vote, I want to know this -- before I vote, one way or the other. And I think it's a point of order.

MS. HARRIS: It might be a point of information, but it's not a point of order.

MR. TALMADGE MOORE: Well, point of information then, whatever you want to call it.

MS. HARRIS: Can anybody on the committee tell Talmadge Moore?

(No response.)

MS. HARRIS: May I have a call for the question?

The question has been called.

MR. BRIAN MOORE: Point of order. This is an extremely important matter and I'm concerned that debate on this has been very limited. I think we should really have much more discussion. This is the third --

MS. HARRIS: Delegate Brian Moore, we have had 11 people to speak on this one amendment.

MR. BRIAN MOORE: No. There have been different issues on this --

MS. HARRIS: The issues remain the same. There has been a call for the question.

All those in favor of cutting off debate, let it be known by aye.

(A chorus of "ayes".)

MS. HARRIS: Opposed.

(A chorus of "nays".)

MS. HARRIS: So carried. The motion is by Delegate Nihikian to delete Section 2I. All in favor of deleting Section 2I, let it be known by raising your hand.

(Show of hands.)

MR. COOPER: Nine.

MS. HARRIS: Opposed.

(Show of hands.)

MR. COOPER: Twenty.

MS. HARRIS: Abstentions.

(Show of hands.)

MS. HARRIS: The motion loses. We are back to the original Schrag motion.
