Summary:

This bibliography is a selection from a large set of articles I used during a project to reconceptualize and rewrite the collection development policy for the [Washingtoniana Collection](#) housed within GW’s Special Collections Research Center. I compiled this bibliography for my article “A No-Budget, In-House, Staff-Led Professional Development Model,” to be published Summer 2018 in the Midwest Archives Conference journal, *Archival Issues*, Vol 39, Issue 1.
