All Trade Divisions

1949; n.d.

From Washington Teamster April 15th 1949

## Conferences for Chicago

group and Policy Committee meetings will be made, is slated for 2 p.m. on April 29.

### CONFERENCES LISTED

With the completion of the national trade division setup, the following will have been chartered and put actively to work:

National Warehouse Conference; National Conference of Automotive, Petroleum and Allied Industries; National Fresh Fruit, Vegetable and Produce Conference; National Drive-Away and Truck-Away Conference; National Laundry and Cleaning Drivers' Conference; National Miscellaneous and Retail Delivery Conference; National Dairy Employees Conference; National Over-The-Road Conference; National Bakery Conference; National Conference of Federal, State and Municipal Drivers; National Cannery Council; National Chauffeurs, Taxicab drivers Conference; National Conference of Building Materials and Construction Drivers and National Brewery Conference.

Already, with the organization work barely started, several of the national trade divisions have made big gains in membership, and further developments are expected soon. The general organizing campaign will be a continuing drive until the work is complete.
