Dear Sir and Brother:-

Your special delivery letter was received this morning and I immediately took the matter up with Secretary Hughes, regarding the payment of the bill in connection with the O'Hearn trouble. He has sent the check and no doubt it will reach you before this letter. The full amount is contained in the ~~encl~~ck.

There is some question in our mind about some matters in the bill which I intend to take up with you when I meet you in Detroit.

Trusting this will be satisfactory and with best wishes, I beg to remain,

Fraternally yours,

General President
