Dear Sir and Brother:

Enclosed find copy of a letter received at the office, under date of June 12, 1942, signed by Frank Ford, President of Local Union 271, of Detroit, which I believe is a repetition of the letter which you have, which was received at the office last week.

However, since you are going to take this matter up with the Board, I thought you should have this letter.

With warmest personal regards,

Fraternally yours,
