Mr. Herbert Rivers, Sec'y
Building and Construction Trades
Department, A. F. of L.
500-504 A. F. L. Building
Washington 1, D. C.

Dear Sir and Brother:

We are in receipt of your letter of January 31 relative to the Teamsters Local Union #37 being denied affiliation in the Kern County Building and Construction Trades Council.

This organization asked for re-affiliation and were officially seated as members of this organization on last Monday night January 27, 1947.

There has been some misunderstanding in the past over the per capita tax due the Council but difficulties have been worked out and they are now members in good standing.

Sincerely and fraternally,

/s/ J. R. Copeland, Secretary
Kern County Building and
Construction Trades Council.
