INTERNATIONAL BROTHERHOOD OF TEAMSTERS CHAUFFEURS WAREHOUSEMEN & HELPERS OF AMERICA

AFFILIATED WITH THE AMERICAN FEDERATION OF LABOR

October 23, 1951

Mr. Thomas E. Flynn
Executive Assistant to the Gen'l President
International Brotherhood of Teamsters

Indianapolis, Indiana

Dear Tom:

I am enclosing herewith application for a charter and two checks. One in the amount of \$15.00, to cover the cost of Charter and seal and one in the amount of \$349.75 to cover the per capita initiation on 170 members and additional supplies which will be necessary to the Local Union.

This application for Charter covers all the Milk drivers and Dairy employees working in the City of Regina Saskatchewan, Canada.

I am also enclosing a list of the members names and addresses for your information and files. I would also appreciate it if the Charter, seal and supplies would be sent to me at my home address at Minneapolis. We had a Local Union in Regina a number of years ago which fell by the wayside and it was rather hard to convince some of these people that they should become members of the Union. For that reason I want to personally go to Regina and install the Charter and instruct the Sec'y-Treas. in the method of keeping the International book keeping system.

With warmest personal regards, I remain

Fraternally yours,

Dear Sir and Brother:

We are this morning in receipt of your letter of Oct. 23, 1951, enclosing application for charter and two checks, one in the amount of \$15.00 and the other for \$349.75. Also attached were official order blank and list of prospective members.

I have approved this application for charter this morning and am immediately turning it, with the other items mentioned, over to the office of John F. English, General Secretary-Treasurer for completion.

The charter, I am sure, will go forward to you quite promptly. The seal and supplies as soon as possible. I have requested that this material all be sent to your home address at Minneapolis.

Trusting that with this excellent beginning we will in time have a strong local union in Regina,

Very fraternally yours,

Mr. John F. English, General Secretary-Treasurer

Attached find application for new charter in Regina, Sask., Canada, under the title of "DAIRY EMPLOYEES, TRUCK DRIVERS, WAREHOUSEMEN." I have approved it as of today's date.

This has been sent in here by General Organizer John King together with two checks, one in the amount of \$15.00 and the other for \$349.75.

Also attached are official order blank and list of prospective members.

Organizer King is requesting that the charter, seal and supplies be sent to him at his home address at Minneapolis due to the fact that we had a local union in Regina a number of years ago which fell by the wayside and he states it was rather difficult to convince some of these people that they should become members of the Union. For that reason he wishes to personally go to Regina and install the charter and instruct the Secretary-Treasurer in the method of keeping the International bookkeeping system.
