Mr. Schrag.

MR. SCHRAG: Mr. President, I move the adoption of 6.C, and let me state in moving 6.B and 6.C that we are aware that the Council of the District of Columbia is currently considering legislation which would put the Senators-elect on the correct federal cycle, that is, they would fit within the proper number of years for the next Senators to be admitted to the United States Senate.

If that happens, these two sections, particularly

Subsection B, may never have to be invoked, because the Senators may automatically fit into the cycle and there may be no need for special elections. I just want to make clear the history of this provision.

MR. CASSELL: Further discussion on C? Those in favor of Section 6.C indicate by saying aye.
