Dear Sir and Brother:

I am in receipt of the old charter and new charter as well as the seal of Local Union 765, of Waseka, Minnesota.

Will you please send in a letter advising us under what conditions this charter was picked up and if the local union has been amalgamated with another local or the district sub-divided.

We must have this for our records. I recall either a conversation with you in Chicago or on the telephone regarding the picking up of this charter, but we must have the facts in writing.

Fraternally yours,

ACTING FOR DANIEL J. TOBIN,  
GENERAL PRESIDENT
