

## THE ELEANOR ROOSEVELT PROGRAM

March 28<sup>th</sup>, 1951

Description: This recording is Elliott Roosevelt's introduction to the interview between ER and Dr. Donald Powell Wilson.

Participants: Elliott Roosevelt

---

[Elliott Roosevelt:] Much has been written in national periodicals about the prison system in this country and the treatment of prisoners. Mrs. Roosevelt's guest today is the author of the book, *My Six Convicts*, which is rapidly climbing into the best-seller list. And he is here to tell us of his experiences during three years spent at Leavenworth. Mother, will you introduce your guest?
