Dear Sir and Bro.

Straightened out Local 599  
Sullivan Ind by collecting all the  
money they had left, which you will  
find enclosed check for 10.7

Deposit this check but do  
not enter in Cash Book or Ledger  
until I return as some of it will  
be charged as back Tax and some as  
a refund.

I shipped all the books via  
Traction to day, charges collect.  
reason for same being Express office  
also post office was closed and I did  
not wish to lug packages to this  
city. You will find bill of lading  
Enclosed have some one call at  
Traction freight depot for same  
and pay charges.
