Dear Sir & Brother:

P
In accordance with instructions from Brother Thomas E. Flynn, on February 14th, I have been directed to pick up where I left off on my regular Audit work in Alabama and Mississippi. Therefore, just as soon as I have audited the books and records of Local Union No. 613, Jacksonville, I will proceed to my work in the above mentioned states.

Y
It would please me, however, if you would forward to me immediately new audit statements for Locals -905 Montgomery, Alabama -591 Meridian, Mississippi and 891 Jackson, Mississippi to my home address, 550 W. 46th Street, Jacksonville, Florida.

At a later date or as time permits I would like to have new audit statements on Locals -402 Sheffield - 612 Birmingham -675 Gadsden - 877 Birmingham and 889 Birmingham, Alabama, sent to where-ever I am located at the mailing.

This request is being made, due to the fact that I have often had trouble or was unable to locate official receipts at some of the Local Union Offices.

Thanking you and with best personal wishes, I remain

Fraternally yours,

J. R. Braddock, Jr.
GENERAL ORGANIZER & AUDITOR.
