Mr. Dave Beck, General Organizer
552 Denny way
Seattle, Washington

Dear Sir and Brothers:

In further reference to our conversation the other day regarding the charter at Los Angeles, enclosed find copies of telegrams exchanged between myself and James Miller. However, the correct title of the local union is General Transport, Petroleum and Sales Drivers, Local Union # 224, Los Angeles, and Vicinity, California.

The charter was put in the mail last Friday evening and no doubt has been received by this time.

There is some question here now, Dave, regarding a Trusteeship in accordance with your recent letter addressed to President Tobin. Do you want Trusteeship papers made out to organizer John to handle the affairs of Local No. 224.

Warmest regards.

Yours faithfully,

ACTING FOR DANIEL J. TOBIN
General President
