Mr. Jas. A. Welch,  
1823 Rousseau St.,  
New Orleans, La.

Dear Sir and Brother:-

I received word today from Local 701 of your city that they desire to transfer into the Brewery Workers' Union.

I wrote them protesting against such action and I believe you should attend the meeting of the Local and do what you can. I wrote them explaining that the decision of the A.F. of L., was that those in their respective unions should remain where they are, that there was nothing in the decision about the transferring of men and until a settlement was reached by the A.F. of L., we intended to hold them in our organization. I want you to protest against the transferring of these men and let me know if you can find out anything.

Trusting you will give this your best attention and extending the compliments of the season, I remain,  
Fraternally yours,
